## Internship - Cloud-based AI Application Development (m/f/d)

Our **Huawei Digital Competence Center (DCC)** was established in Saarbrücken in March, 2021. This innovation platform for AI application is located in the Science and Technology Park of Saarbrücken, near Saarland University, DFKI, and CISPA. The center selects partners from the industry and research institutes to jointly develop innovative projects for the digital transformation of small and medium-sized enterprises.

**Job Location:** Saarbrücken, Germany

**Start date:** As soon as possible

### Responsibilities:

During your **6-month internship**, you will focus on the development of cloud-based AI embedded applications and furthermore:

- Develop AI applications through the AI platform and on Cloud
- Use state-of-the-art AI developer Kit and deploy AI applications
- Design and write a code document as well create a tutorial
- Support our project team

### Requirements:

You are currently enrolled student in a Bachelor or Master with STEM major

You have a passion for coding and technical document writing

You are familiar with Linux

You have practical experience of Cloud platform and mainstream edge AI computing platforms

You are fluent in English; German and/or Chinese skills are a plus

### You are interested?

Please send your detailed resume/CV in **English** via E-Mail to [campus.de@huawei.com](mailto:campus.de@huawei.com) indicating the position you apply for.

### About Huawei

Huawei is a leading global provider of information and communications technology (ICT) infrastructure and smart devices. With integrated solutions across four key domains – telecom networks, IT, smart devices, and cloud services – **we are committed to bringing digital to every person, home and organization for a fully connected, intelligent world.**

PASSION —  
UNLOCKS  
POTENTIAL

At Huawei, innovation focuses on customer needs. We invest heavily in basic research, concentrating on technological breakthroughs that drive the world forward. We have more than 197,000 employees, and we operate in more than 170 countries and regions.

Huawei's end-to-end portfolio of products, solutions and services are both competitive and secure. Through open collaboration with ecosystem partners, we create lasting value for our customers, working to empower people, enrich home life, and inspire innovation in organizations of all shapes and sizes.

**Privacy Statement Notice for positions in West Europe region:**
