## Internship – Sales Assistant Digital Power (m/f/d)

**Job Location:** Munich, Germany

**Start:** as soon as possible

**Duration:** 3 – 6 months

### Responsibilities:

As our intern, you will be part of our German Digital Power team (incl. Solar PV, EV, Datacenter, Site Power), passionately supporting the local marketing and sales team.

Your responsibilities include handling following tasks:

- Support the marketing team on marketing activities such as onsite events, social media, website, digital marketing channels, clearly conveying the value of Huawei Digital Power products and solutions
- Support as customer interface answering basic procedural questions as well as ensuring their level of satisfaction with our products and services
- Collaborate with the sales staff monitoring active purchase orders and ensuring a successful order process
- Providing administrative support preparing and updating marketing materials as well as handling organizational tasks such as travel and expense management

### Requirements:

- Bachelor/Master in Business Administration, Industrial Engineering or other domain-related disciplines
- Excellent communication and interpersonal skills combined with team spirit, openness for an international environment and Chinese business culture
- Good organization skills with high level of attention to detail
- Fluent English skills, German skills are a plus
